2009 IFTA License Renewal and Decal Application

Notice: One decal must be displayed on each side of the exterior portion of all qualified vehicles. IFTA decals and license are not vehicle specific.

We encourage you to order the decals needed as soon as possible at a cost of 50 cents per set. You may want to keep a limited supply of decals on hand for replacement vehicles. Refunds will not be issued for overpurchases or lost orders.

The 2009 IFTA license will be mailed to you with your decals. The license must be photocopied and carried in all vehicles.

You may begin displaying the decals and license December 1.

If you have any questions, please contact our office at the address or telephone number at the top of this application.
